# Enrichments at Kempston Challenger Academy

Welcome to the Kempston Challenger Academy Enrichment Programme. This booklet contains information on all the enrichment activities available from September 2017.

We have a wide variety of different enrichments and catch up sessions available; you can find constructive and enjoyable activities to take part in every week.

## Why attend enrichments?

There are two main reasons to attend the after academy activities on offer.

Catch up sessions are a fantastic tool to help accelerate your academic achievement, whether you missed a lesson, want to improve your depth of knowledge or need help with coursework. Catch up sessions will provide you with one -to- one tuition from a range of staff in each department.

Enrichment activities allow you to gain experience and skills in areas not typically part of your everyday curriculum: enhancing your personal attributes, by opting to gain new experiences, is extremely desirable to future employers and higher education providers.

## Who can attend?

Everyone! Whether you are in Year 7 or 13 there are a range of after academy sessions to choose from. Some activities are specifically targeted at individual year groups, or key stages, and this information is provided in the title of each enrichment. Enrichments that are open to everyone are a great opportunity to make friends in other year groups.

## What is available?

Whatever your needs or interests, there are multiple activities to get involved with. If there is an enrichment you would like to take part in, but it is not currently offered, mention it to your appropriate subject teacher.

## Do I need to sign up in advance?

No need. Some enrichments are targeted towards specific students, but that is clearly stated in the title. Please have a look at the programme; we look forward to seeing you there!

Regards all the staff at KCA
