Important: We cannot refund the cost of any school meals taken before you make this application.

Please continue to pay for school meals or provide a packed lunch until your entitlement has been confirmed.

We will contact your child's school as soon as we have been able to confirm your entitlement. This may be on the same day as your application.

We will check on a regular basis that you still meet the qualifying criteria. Data provided by the Department for Education and collected from the Department for Work and Pensions, the Home Office and HM Revenue and Customs will be accessed to do this. If we find you no longer qualify for free school meals, we will write to you.

Registering your child for FSM will also attract Pupil Premium funding for the school. Although it is recommended your child eat the meal, this is optional – you should register regardless of whether they want a meal.

Did you know ... just registering your child for Free School Meals means that the school will get extra money?
