

### Kempston Challenger Academy - Sixth Form entry requirements 2017

A level		Minimum entry requirement			
Subject	Subject Specific	GCSE English*	GCSE Maths	Additional requirements	
Business Studies	C	5	5	A* – C in Business or Merit + in Business BTEC	
Biology	6	5	5	6 in Core and Additional Science or grade 6 in GCSE Biology with a Grade 6 in Chemistry	
English Literature	6	6		Students must have at least a grade in GCSE English Language or English Literature. Their other English GCSE must be at least grade 6	
History	B	6	5	Minimum of a grade 6 at GCSE English Language and a B grade at GCSE History. If you have not studied GCSE History a B grade citizenship or Geography at GCSE would be accepted as an alternative.	
Mathematics	6	4	6	A grade 6 or above in Higher tier GCSE Mathematics with more than 60% of the algebra marks gained. A pass in the Level 2 Algebra Award will be accepted.	
Product Design	C	5	5	A*-C grade in DT at GCSE	
Psychology		6	5	6 in GCSE English, 5 in GCSE Mathematics and B in GCSE Science	
Sociology		5	4	Minimum of a grade 5 in English Language and a B in GCSE History, Citizenship or Geography would be accepted	
Consortium subjects					
Subject	Subject Specific	GCSE English*	GCSE Maths	Additional requirements	
Chemistry	5	5	5	5 in combined science or 5 in separate science (Chemistry) or Distinction in Level 2 Science. These must be in higher papers.	
Engineering BTEC	Dist or B	5	5	B in technology and design subject or Distinction in a Level 2 qualification - assessment in this course will include Level 3 Mathematics component.	
French	5	5		5 in French - this must have been studied at GCSE.	
Geography	4	5	5	4 in Geography GCSE or related humanities subject.	

BTEC and Cambridge Technical's				
Subject	Subject Specific	GCSE English*	GCSE Maths	Additional requirements
Art	D	4		Minimum D grade in GCSE Art or a portfolio of work.
Business	Merit/C	5	4	5 GCSE's 9-5 including English Language, including a 5 grade or Merit in GCSE/BTEC business. UMS scores indicating a high 4 grade may be considered depending on individual circumstances.
Health & Social Care	L2P	4		Students who have studied Health and Social Care must have achieved at least a L2P (Grade C) along with English Language grade 4 and Science at grade C. Students without Health and Social Care at GCSE level must achieve English Language at grade 6 and Science at grade C.
ICT	C	4	4	A minimum of five GCSE passes at Grade 5 or above. It is expected that these will include Mathematics and English at Grade 4 or better. In addition we would prefer that you have gained a grade C in GCSE ICT.
Media	L2M	4		4 grade in English Language – this is due to the analytical skills required for the theory units. Students who have completed Level 2 Media will be considered if they have a merit or above.
Performing Arts	L2M	4		4 grade in English and L2M in Performing Arts. Anyone who has not performing arts course previously will be referred to the PA faculty for further discussion.
Sport	L2M or D	4		D at GCSE PE or a level 2 merit at level 1/2 Sport. In addition, we also ask for a 4 in English as many assignments are essay based and a 4 in science. Anyone who has not taken either course previously will be referred to the PE faculty for further discussion
