

Art Learning Journey

Art is a powerful tool that helps students become aware of the world they live in, whilst nurturing cultural awareness and creativity. Our mission is to build confidence and encourage pupils to take ownership of their work and to develop their thinking into creative ideas.

Understanding and Applying Artistic Skills

- Explore ideas and record experiences
- Produce creative work
- Know about great artists, craft makers and designers
- Evaluate and analyse creative works using the language of art, craft and design
- Understand the historical and cultural development of their art forms.
- Take risks when exploring and experimenting with ideas, processes, media, materials and techniques
- Develop and refine ideas and personal outcomes
- Acquire and develop technical skills
- Be aware of careers in the art and design industry
