

Physical Education Learning Journey

'We aim to develop pupils who are physically literate by providing a challenging, disciplined and safe environment for high quality teaching and learning. This is achieved through creating an enjoyable and productive atmosphere for staff and pupils, where we strive to inspire and engage students to participate and achieve. This will enable all pupils to have the motivation, confidence, understanding, knowledge and confidence to make positive lifestyle choices and choose to be active for life.' Through this culture we aim to 'create a sporting habit for life.'
